

The FCC should reject the NAB's petition 04-160. I pay for XM Satellite Radio and believe I should be entitled to listen to the content for which I pay for and XM supplies. It is beyond me that the National Association of Broadcasters could attempt to dictate (and that the FCC would listen) what I am permitted to hear and what I pay to hear. Respectfully, I urge the FCC to reject the NAB's petition 04-160.
Thank you.
